

Wireless, Antenna & Microwave Symposium

WAMS 2025
June 5 - 8, 2025

Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, Chennai

www.wams2025.iitdm.ac.in

RAPID THESIS CHALLENGE

The Rapid Thesis Challenge at WAMS 2025 gives PhD candidates in wireless, antennas, and microwave engineering the chance to present their cutting-edge research in a dynamic and concise format. This event will test your ability to communicate complex ideas clearly and effectively to the audience in a limited time. Take part in this challenge, receive expert feedback, and enhance your ability to deliver impactful presentations to a diverse academic audience. Winners of the events will be awarded with a cash prize, plaque and a certificate.

Eligibility: Ph.D students who have submitted or about to submit their thesis.

Instructions:

Round 1:

- Register for the competition with the link provided below or visit the WAMS website - [Student activity portal](#).
- Submit your abstract/summary (max. 1 page) and the approval from your Ph.D supervisor (*template provided in WAMS website*).
- Shortlisted students in round 1 will have to register for conference through main [website](#) and present their work during the conference in offline mode.

Round 2:

- Maximum of 10 (8+2) minutes will be given for presentation.
- Number of slides are strictly restricted to 10.

***Free accommodation will be provided for the shortlisted students.**

***Shortlisted students can also apply for travel grant.**

Timeline :

Last date for abstract submission : 31.03.2025
Announcement of shortlisted students for Round 2 : 07.04.2025
